Changing your life by building residual, monthly income,
regardless of your experience, disabilities or life circumstance.

YOUR GAIN

WHAT MUST I DO TO EARN A MONTHLY RESIDUAL?

It couldn't be easier!

1. Set an appointment with friend, colleague or other prospect.
2. We take it from there. We do the demonstration, follow through, selling, installation, set-up, training, billing and support.
3. You receive \$10 and if your referral turns into our customer, you receive a monthly residual for as long as they remain our client.

HOW MUCH WILL I EARN?

The key is in residual income!

You earn \$10.00 per appointment set, which is great, but the the big money is in the residual for those prospect who become clients.

You earn a minimum of \$50 per month, 20% or the monthly billing, whichever is greater, for as long as your referral remains our client.

Should your client expand their number of users, you receive an increase in your monthly residual, automatically.

That's \$600 per year, minimum for just one solid referral.

Do the math...

50 clients means a minimum of \$2,500 per month. Month after month.

100 clients earns a minimum of \$60,000 per year. Year after year.

Want to retire on a \$100,000 per year income, find 160 solid leads.

For the truly committed: We offer a \$10,000 bonus for every 50 clients.

WHAT IS MY COMMITMENT?

It is up to you.

As an Independent contractor, you work when you want, where you want, an much as you want. There are no reports, no meetings, no quotas and no stress. You give us a lead and we do the rest.

WHAT DOES THE CUSTOMER PAY?

Our software includes everything for one low price.

Businesses pay less than \$50 per user, per month. Minimum of 3.

Non-profits pay under \$30 per user , per month. Minimum of 3.

* In addition, all clients pay a one-time set-up fee.

CLIENT'S GAIN

WHAT WILL THE CUSTOMER RECEIVE?

No hidden costs.

The customer receives a full enterprise document management solution Including: 1. hosting 2. domain name 3. installation 4. set-up 5. desktop scanning software 6. training 7. updates 8. support There are no hidden fees; everything is included.

DELIVERY

How does the customer get the application?

We install the software on the secure server of a major service provider such as Amazon or 1in1. Once complete, ususally in a day, the client will receive instructions as to how to access their server.

TRAINING

How do we train our customers?

All training is done remotely using services like Go To Meeting. We have training videos on our website available 24/7.

SERVICE AND SUPPORT

How does the customer receive service?

It is unusual for the client to need service because our software is loaded upon very stable and regularly maintained servers. If service is required, it is done remotely using services like Go To Assist.
